OEXA 83-0222/A

2 MAY 1983

Honorable Charles H. Percy, Chairman
Committee on Foreign Relations
United States Senate
Washington, D.C. 20510

Dear Mr. Chairman:

This Agency has received the galleys to be included in Volume XIII, Part 1, of the Foreign Relation Committee's "Historical Series," covering executive session hearings for 1961.

The Classification Review Division has looked at the galleys, both at the portions previously declassified and at the minor points previously deleted at CIA request. The Classification Review Division has no objection to the publication of the previously declassified material, but requests that the material previously deleted remain classified.

This Agency also understands that these galleys have also been submitted to the Department of State for review of material previously deleted from declassification at their request.

Cordially yours,

Director, Office of External Affairs
